Facilities, Services and Amenities

Each campsite has an open fireplace, picnic table, flat area for a tent, and a parking space. Running water, flush toilets, a camp store, boat launch, and canoe and kayak rentals are available. Coin-operated showers are accessible 24 hours a day.

For Your Safety

Do not invite raccoons, ducks or other wildlife to the beach or into the campground. Keep the park clean by disposing of food waste properly and securing all food items in your vehicle at night. Coolers left out are easily opened by hungry raccoons. Feeding the geese attracts large numbers to the swimming area where they become a health concern.
